To Assistant Chief, Audio Division

MOTION FOR EXTENSION OF TIME

Auburn Network, Inc. ("ANI"), by its attorney, hereby requests additional time to respond to the H & H Communications, LLC ("H & H") Opposition to the Auburn Network, Inc Petition for Reconsideration. In support of its request, ANI submits the following.

ANI filed a Petition for Reconsideration of the Commission letter action returning its Petition for Rule Making, which sought to amend the Commission's FM Table of Allotments to allot a new FM radio channel at Shorter, Alabama on Channel 228A. H & H has opposed ANI's Petition for Reconsideration. H & H's Opposition contains an engineering analysis. ANI desires to file a response but, due to the Commission's AM filing window, ANI's consulting engineers are currently unavailable. Therefore, ANI requests a brief extension of time until and including Friday, February 6, 2004, to prepare its response. Counsel for H & H has been advised of this request and has courteously stated that he will interpose no objection to its approval.

Accordingly, ANI respectfully requests a one week extension of time until and including February 6, 2004, to file its response to the H & H Opposition to Petition for Reconsideration

Respectfully submitted,

AUBURN NETWORK, INC.
